History of Austin's Chapel Methodist Church.

Austin's Chapel Methodist Church was organized in the year eighteen hundred fifty-nine. The land was sold by Mr. W. E. Clark for the price of one dollar. The first trustees were Benjamin Smith, Ephriam J. Marks, and Martin A. Conner. There have been a large number of students from Old Fourth at Oxford, from this pulpit, and soon many Latin men from men in Methodism.
During the 1930s, the uniting of the five branches of the Methodist Church brought them back together. Culpin's chapel is now the Methodist Church.
