Liberty Hill

Dec. 10-1966

Liberty Hill Methodist Church
was organized in Oct. 1873

The first church was built
with hewn logs and was used
for school house and church too.

By Wm. Norman Pastor.

But began with just a few members,

I cannot find a record when the
next church was built. But the one
we are now building was started
in 1961. Don't have it finished yet.

We are so few in number.

the old church was torn down
July 27, 1961. R. H. Peterson
was pastor.

Liberty Hill is just a small
church surrounded by other
churches, Sardis Baptist on one
side Cedar Creek. 22 22 22
Coker Bury on one 4 Hartwell.
Churches on the other side, and all are close.

We are now building a brick church that will be beautiful when it is finished, and we sure are proud of Liberty Hill.

The W.S.C.S. Women has done a lot of quilting to help build; sell cakes & cook supper.

Mr. F.M. Gaines now Editor of our 'Wesleyan Christian Advocate.' Went out from our church in 1911 he was Sec. of the church.

We were once on Hart Circuit has a parsonage built, but now we are on Albert Circuit. Parsonage at Alberton. A.W. Williams is pastor. (Mrs. Albert Page)
