On Oct. 12th 1855 Wm. Wall of Warren Co. deeded to T. J. Hardaway, Amos Johnson, Heze Hunt, Walter Lewis, D. W. - Rowe, R. D. Mayer and Alphas Fuller a certain tract of land to be used for a house of worship known as Macedonia Methodist Church.

The charter members are unknown to the writer but from information gathered from here & there the congregations increased from time to time. Under guidance of Revs Arnold, Osborne, Felix Brown & other consecrated ministers.

By 1888 the building was insufficient for the growing congregations, therefore a new building was planned and erected under the leadership of C. C. Rowe. The membership consisted of such families as Duckworths Hill, Dweys, Edwards, Reese's Wallers Youngs & others - Later leaders were Jim Talkington, U. A. Roark, Lummie Morgan, Odum Clarke, our own beloved Foster Young, Cliff Bantz, Parker Watkins and others.

In 1936 we decided to remodel

and add Church School rooms
under the leadership of Harry Lee
Wood pastor and R. W. Newby Supt.
W. W. Byington our present pastor
is loved & respected by all members
of the church
