HISTORY OF MATILDA CHAPEL
M. E. CHURCH

Matilda Chapel was built by Henry Stevens, Founder of Stevens Pottery about the year 1861, where the Union Hill Methodist Church now stands, and was erected as a memorial to the builder's wife, Matilda S. Stevens. Later it was moved to Stevens Pottery for the convenience of the majority of it's members, where it now stands on the one acre plot of ground which was deeded to the Church and cemetery by the builder's sons, W. C. and J. H. Stevens, in the year 1900.
