On Sunday, April 12, 1964, eleven interested people met in a home in the Mountain Park community with the Reverend James J. Sneed, Jr. for the purpose of making plans for a new Methodist Church in this community.

The first Service was held in May 1964 in the Mountain Park Masonic Lodge at the intersection of Rockbridge and Five Forks-Trickum Roads with a total of forty-five present for Sunday School and Worship. The Charter Service was held on Sunday, June 7, 1964 with the Atlanta-Emory District Superintendent, Dr. Gordon Thompson, presiding. There were eighty-seven Charter Members, the largest charter membership for any Methodist Church at that time. Before the end of June 1964, plans were underway for the building of the first unit on the five-acre lot at our present location. This lot was purchased by the Board of Missions and Church Extension of the North Georgia Methodist Conference and the Atlanta-Emory District.

On February 7, 1965 with the Sunday School meeting in several homes and an old dwelling house located on the present lot, ground was broken for the first unit which is now our Fellowship Hall and Younger Children's Classrooms. Construction began in January 1966, and the first Service was held in this first unit on May 15, 1966. This unit was paid off two years in advance of the due date and a Service of Dedication was held on April 28, 1974 with Bishop William R. Cannon and District Superintendent William H. Ruff presiding.

A three-bedroom, ranch-style Parsonage for our Minister was constructed in 1967 at 5052 Greenoak Drive on land donated by Mr. Clyde Stephens. The labor was donated and the home was built for $14,500.00.

The Church Membership and Sunday School Attendance increased so rapidly that the need arose for additional classrooms. Several of the classes were meeting in three trailers on the church property which were provided by the Atlanta-Emory District. So in 1974 the second phase of our building program planning was begun, but due to the country's economy, the building program was slowed down until mid-1975. On April 20, 1975, ground was broken for the second unit which consists of our present Sanctuary, Class, and Choir Rooms. This unit was completed and the Consecration Service was held on September 21, 1975 with District Superintendent William H. Ruff presiding.

As we begin 1981, the Mountain Park Church now has over 1100 full members and over 250 preparatory members (children). Our budget has grown to over $172,000.00, and we are averaging over 500 for both of our Services of Worship each Sunday. In addition to our Minister, we now have a staff that includes: an Associate Minister, a Director of Music, and a Director of Youth. Because of the continued rapid growth of the Mountain Park community here in Gwinnett County, we are now in the process of having a Master Plan drawn which will include short and long range facility plans. In seeking to be a part of the present and future of the Mountain Park community, our Church continues to look forward to the expansion of our Church program and facilities as we seek to be "A Caring Church."
