Mountain View Church

Dear Mr. Pierce,

I received your letter by the way of apologizing why you haven't heard from me or Fairview Homestead Church lately. I am not at Fairview any more, please send business correspondence to Mountain View Church, a little new church and it is a pleasant place to serve with Cooperative Leaders.

I do want to give you some information you did have at the last meeting. I sent you pictures and history of our little Church on Hill St. in 6 blocks. We received a gift of $2,000 to be used in the land purchase and improvements. The church was built in 1951-52 and was used as a school building. The land purchased was later sold to the church.

In the Spring of 1953, a new church building was erected on the same site. The new building was constructed of brick and has a capacity of 500 people. The building was completed in August of 1953.

I hope you will find this information helpful and look forward to receiving your response.

Sincerely,

looks to day, if you have time I would like to hear from you that you have remembered me sending the pictures and a pencil sketch. I almost forget this letter during this inquiry did much on our building fund drive and yet? I do hope this will clear up the history.

Keep yours in his service
Mrs Ken (Rosie) Williams
