the new church

In 1942 under the leadership of W. A. Larnar with a membership of about thirty it was decided to rebuild as the old church was very much dilapidated, so in May of that year it was started with a small donation and on Sept. 27th 1942 a \$2500.00 church was completed & dedicated free of charge in September. There is at this time a membership of about thirty and Sunday school of fifty with all assessments paid in full, plus"
