Privacy Policy Statement

Polaris Assessment Systems, Inc. (Polaris) considers your privacy a high priority. This privacy statement explains what information Polaris gathers from you through our websites and how we may use it. If you have any questions, please contact us at info@polaristest.com.

The only individualized information that Polaris obtains about you through our websites is information you voluntarily supply. We will only use that information to fulfill the purpose for which it was supplied to us.

Polaris obtains non-individualized, generic information about your visit to our websites through the use of cookies. Cookies are small pieces of data which are sent by websites to your web browser and are stored on your computer. Data derived from the cookies is aggregated and used by Polaris for statistical tracking purposes. We use this information to understand general traffic patterns on our websites and to gauge and improve the web site's effectiveness. The data is not used for individual identification and Polaris in no way relates your personal information to these traffic pattern statistics.

If you are concerned about the use of cookies, you may configure your web browser to either request your specific acceptance of a cookie or disable cookies entirely. You will still be able to fully navigate our websites if you choose to refuse or disable cookies.

Legal Notice

Unless otherwise indicated, these websites (i.e., polaristest.com, polarismatch.com, polarisinterviews.com) and their contents, including but not limited to all text, HTML code, CGI scripts, graphics, button images, and the sites design and "look and feel," are the property of Polaris and are protected pursuant to U.S. and foreign copyright and trademark laws. By accessing these websites, you agree to the following terms and conditions:

1. These websites and the material on these websites may not be modified, copied, distributed, republished, downloaded, uploaded or commercially exploited in any manner without the prior written consent of Polaris except that you are permitted to download a copy of any of the materials on these websites on a single computer for personal noncommercial use, provided no copyright, trademark or other proprietary notices are removed. No intellectual property or other rights in or to these websites or their contents are transferred to you.
2. The information on these websites is provided solely for illustrative purposes and does not create any business, contractual or employment relationship.
3. The material on these websites is provided 'as is' and is without warranty of any kind. Polaris disclaims all warranties, express or implied, including without limitation, the implied warranties of title, non-infringement, merchantability and fitness for a particular purpose, with respect to these websites and the material on these websites. Polaris also makes no representations or warranties as to whether the information accessible on these websites is accurate, complete or current.

4. To the fullest extent permitted by applicable laws, in no event shall Polaris be liable for any damages of any kind or character, including without limitation any compensatory, incidental, direct, indirect, special, punitive, or consequential damages, loss of use, loss of data, loss of income or profit, loss of or damage to property, claims of third parties, or other losses of any kind or character, even if Polaris has been advised of the possibility of such damages or losses, arising out of or in connection with these websites or the contents of these websites.
5. The posting of any content or material to these websites and the creation of a link from these websites to any other websites are expressly prohibited without the prior written consent of Polaris.
6. Polaris does not regularly review materials on websites linked to these websites and does not necessarily endorse the materials appearing on any linked websites.
7. Polaris reserves the right to change these terms and conditions at any time by updating this posting. Use of these websites following any such changes shall constitute acceptance of such changes.
