

**A Brief List of Resources
to Help You Move Forward on Your Journey
“To Stay Woke”
Created and shared by Dr. David Lepp Goff (@AndrewDLGoff)**

to read the associated blog

Talking with young children and teaching young children about social justice and equity must begin with you understanding who you are and the experiences that have shaped your identity. The resources below will help you continue to move forward personally and professional, while at the same time beginning to awaken to the experience of others. The more you understand who you are, the more you can teach and talk with children in a manner that supports a world that is advancing on the arc toward justice and equity.
