Over on the golden shore, over on the peaceful shore;

Every earthly care shall pass away, We'll be happy there forevermore,

When we sing around the throne eternal On that wonderful day.
When we sing around the throne _ eternal Way _ over in glory,

When we join the chorus supernatural, Sing _ heaven's sweet story;

With the saints we'll ever be happy, O _ what a glad morning,

Second time to Coda
When we sing around the throne eternal
On that wonderful day.

With our friends we’ll join a mighty throng
Over yonder in the promised land,
Over in the promised land,
Yonder in the promised land;
With the saved we’ll sing a happy song
In the morning at the Lord’s right hand,
When we sing around the throne eternal
On that wonderful day.

D.S. al Coda
When we sing a-round the throne e-ter-nal On that won-der-ful day.

When we join the cho-rus su-per-nal, Sing heav-en’s sweet sto-ry;

When we sing a-round the throne e-ter-nal Way o-ver in glo-ry,
With the saints we'll ever be happy, O what a glad morning.

When we sing a-round the throne eternal, On that wonderful day.

When we sing a-round the throne eternal,
When we sing a-round the throne e-ter-nal

When we sing a-round the throne e-ter-nal on that won-der-ful
day.

On that won-der-ful day.
