## **The Beet Seed**

The <u>children</u> had a pack <u>of</u> beet seed. The beet seed was <u>very</u> little. "Put the beet seed in here," <u>said</u> Mom.

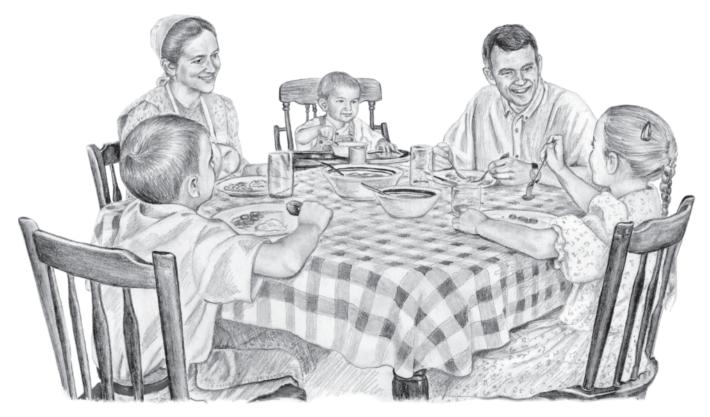

In a week the beet seed was up.
"Look," said Dad. "A weed came up.
I do not like a weed in here. It is easy
to get because it is little."

It was quite some time. Then Mom said, "I will dig up a beet. Good, they are big now. Sam should feed a beet top to the pig."

Sam ran to the pig. The pig ate the beet top. Sam ran back to Mom. "Does the pig seem happy now?" said Mom.

"Yes, it <u>does</u>," <u>said</u> Sam. "The pig did like the beet top. I will like the beet."

"Mom will peel a beet for us. A beet is good with beef," <u>said</u> Pam. "God <u>gives</u> it to us. <u>Thank You</u>, God, for beef. <u>Thank You</u> for a red beet."
