Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line.

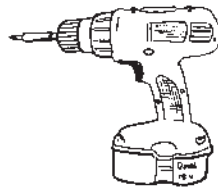

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line.

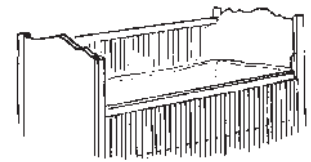

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line.

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line.

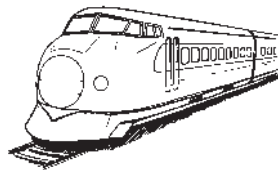

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line.

## Nuts for All

Mom drove the truck. Others rode in the truck too. Mom saw a good spot under a tree. The truck came to a stop. Many nuts were under the tree. Each one put some nuts in the sacks.

“Oh, oh, a rat!” said cute little Tim.  
“I saw a pretty purple rat with big eyes  
The rat ate nuts. I will kick it with my shoe.”

"That is not a rat, Tim," said Sam.

"It is not purple. It is brown.

It did have nuts in the cheeks. But you should not kick it. God teaches it to run about to get nuts."

May Tim eat some nuts now?

"God gives us many good nuts to eat.

But let us crack the nuts at home.

Let us eat some chips now," said Mom.

### Match to make sentences.

- |                               |                 |
|-------------------------------|-----------------|
