

This is Caleb.

Caleb lives in a house
at the end of a long lane
in Pennsylvania.

Caleb lives with his mama and daddy and
two brothers, Andrew and Ben.

Caleb's fish, Fred, lives in a small bowl on the bookshelf.

Andrew is nine. He has had nine birthdays and nine birthday cakes. When he had his last birthday, he had to blow very hard to blow out nine candles!

Ben is six. He has had six birthdays
and six cakes. He says it was easy
to blow out six candles.

(But he did have to
blow pretty hard!)
