

# The Best Book

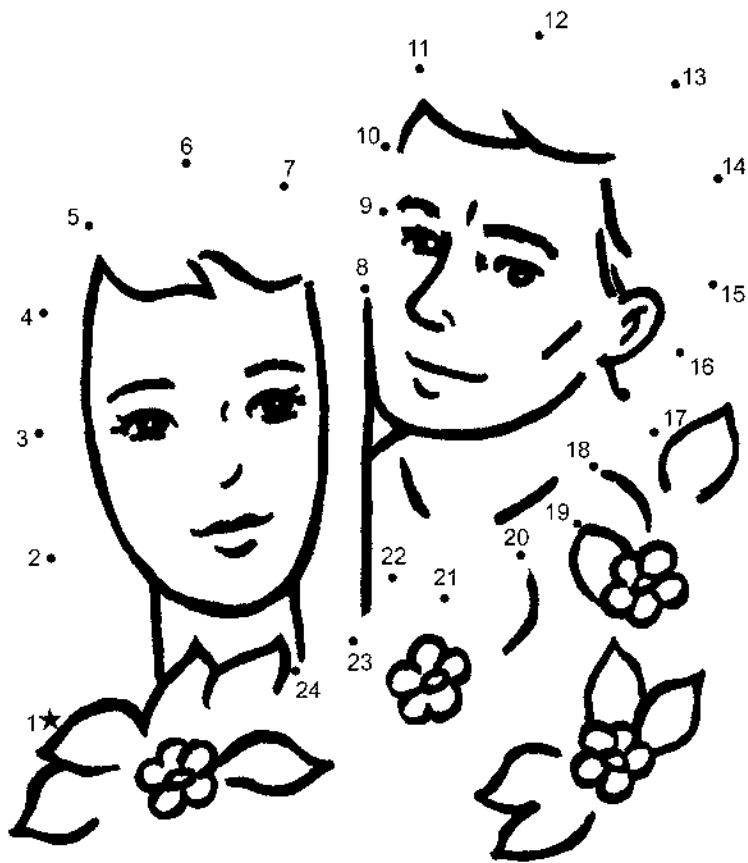

The Bible tells us God's words. What God says is always true. In the Bible we learn that God loves us. We learn how God wants us to live. *Isaiah 40:8*

# God Makes the World

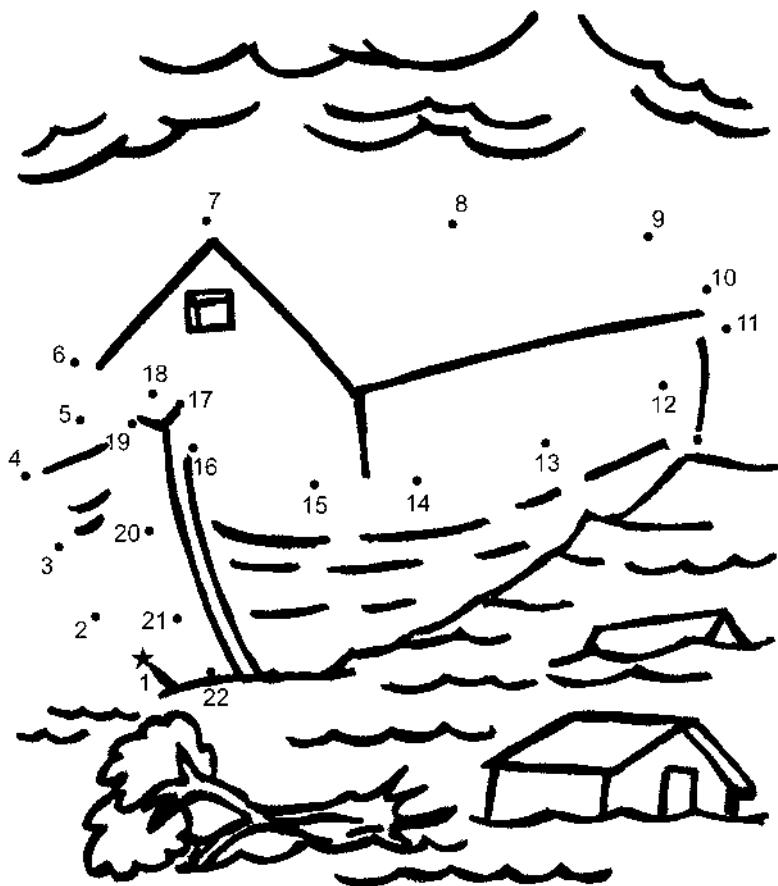

In the beginning there was no world. Then God made our universe. He made the sun, moon, and stars. He made plants, animals, birds, and fish. *Genesis 1*

# The First People

God made the first people, Adam and Eve. They were special. Adam and Eve were perfectly happy until they disobeyed God. Then they were sad. *Genesis 2, 3*

# The Biggest Flood

God told Noah to build a big boat. Noah and his family and all kinds of animals rode in the boat while it rained and rained. The people who did not obey God died in the flood. *Genesis 6-8*

## The Tower of Babel

The people decided to build a tower as tall as they could. God was not pleased. He made the people talk different languages. Because the people could not understand each other, they stopped building. *Genesis 11:1-9*
