

## ✓ Achievement Testing

CLE Homeschool Plus families may purchase our achievement testing service. The California Achievement Test (CAT) provides national norms for evaluating student progress. (Cost is not included as part of the CLE Homeschool Plus fees.)

## Special Privileges

## ✓ Longevity credits

Receive discounts on Homeschool Plus services when you renew. Credits begin the second year and increase based on the number of years you are enrolled.

## ✓ CLE diploma upon graduation

CLE Homeschool Plus is accredited by the National Association of Private Schools, and a CLE diploma provides tangible verification of completed studies. Our students have been accepted into over 175 colleges and universities worldwide!

## ✓ 10% discount

on library books & non-curriculum items.

## ✓ Free subscription to CLE PlusLines

Quarterly Homeschool Plus info and updates plus family activities and more.

## ✓ Free subscription to CLE LightLines

Published six times a year, this newsletter provides information on what is available through CLE, along with other helpful information, suggestions, and inspiration.

## What Homeschool Families are Saying

“I appreciate the flexibility of adding other textbooks to the program. I really like the new, upgraded versions of LightUnits with the daily format and constant review of material.”

– Oakland, Iowa

“I appreciate EVERYTHING about Homeschool Plus. Most of all, I appreciate being able to call and talk with our counselor about concerns or questions I have regarding my children’s progress. I also appreciate your oversight of and keeping of their grades and times. Over the years EVERYONE at CLE has been over-the-top wonderful to me and my family, for which I’m very thankful.”

– Shelbyville, Kentucky

“We appreciated the accountability factor. Having to report the grades quarterly kept us on schedule. We also like that CLE is accredited.”

– Rantoul, Illinois

Let us be a plus in your homeschool.

# Homeschool Plus

Helping Your Homeschool Succeed

## Christian Light Education

Serving Homeschools for over 30 years

# Our Program Provides ...

## Flexibility & Structure

We offer you the flexibility to enroll anytime during the year and define your own school year. You will receive a full year of services from your beginning school start date.

Students may work at their own pace. You may purchase curriculum as needed and even use some courses from other publishers. An academic projection guides high school students through the required courses in four years. This provides workable goals and encourages long-range planning.

## Accountability

- ✓ **Record keeping for all grades**  
We maintain a file based on a Quarterly Progress Report that you send us for each enrolled student. We can verify the progress of your homeschool if questioned. Your student's file includes—
  - ▶ transcripts of a student's work from previous schools, if available.
  - ▶ a record of academic work and attendance while in our program.
  - ▶ a profile of the student's standardized (achievement) test results.

- ✓ **Report cards**  
We will send you report cards for each student on a quarterly basis.
- ✓ **Academic advisor/counselor**  
When you enroll, a personal academic counselor will be assigned to your family. Your counselor will answer your questions about Homeschool Plus, and assist you in making decisions that affect your child's education—from beginning placement to graduation with a CLE diploma. All our counselors are committed to caring about the needs of each family enrolled.
- ✓ **Diploma qualifying test**  
A passing grade on this test verifies achievement. Acceptable alternatives to this test include the SAT, ACT, or GED tests. Test scores determine if the student qualifies for the diploma they are pursuing.

## Support

- ✓ **Knowledgeable support**  
When your student is stuck, help is available by mail, phone, fax, or e-mail. We can help with student placement, curriculum questions, and many other areas related to operating your homeschool.
- ✓ **Professional student transcripts**  
Transcripts for schools and colleges are available upon request for all current or former students. A transcript serves as an official record of high school credits earned and shows the student's GPA for work completed while in our program.

- ✓ **Teacher training for parents**  
You will receive a free training packet when you enroll. These LightUnits deal with CLE curriculum structure, Biblical principles of education, and procedures for a successful homeschool. You may take the course by correspondence or during a summer session at a CLE Training Center. A CLE Homeschool Teacher's Certificate will be issued upon successful completion of the training.
- ✓ **Homeschool Handbook**  
This handbook contains detailed suggestions, teaching tips, and answers to many questions you will face as a new homeschool family. This valuable tool is filled with encouragement and resources, including the wisdom and experience of others. Free with enrollment.
