## At the Place of the Sea

**Annie Johnson Flint**

Have you come to the Red Sea place in your life,  
Where, in spite of all you can do,  
There is no way out, there is no back,  
There is no other way but—through?  
Then wait on the Lord with a trust serene  
Till the night of your fear is gone;  
He will send the wind, He will heap the floods,  
When He says to your soul, “Go on.”

And His hand will lead you through—clear through—  
Ere the watery walls roll down,  
No foe can reach you, no wave can touch,  
No mightiest sea can drown;  
The tossing billows may rear their crests,  
Their foam at your feet may break,  
But over their bed you shall walk dry shod  
In the path that your Lord will make.

In the morning watch, ‘neath the lifted cloud,  
You shall see but the Lord alone,  
When He leads you on from the place of the sea  
To land that you have not known;  
And your fears shall pass as your foes have passed,  
You shall be no more afraid;  
You shall sing His praise in a better place,  
A place that His hand has made.

*By the greatness of thine arm they  
shall be still... till thy people  
pass over, O LORD.*

—Exodus 15:16

### It's Not Your Business by Gary Miller

Do you ever wonder – How does God want us to make a living? Is the business model of capitalistic America the answer? If not, what is the answer? Could God have a deeper purpose for our business than we have realized? What if occupational life, from God's perspective, is intended to play a prominent role in His kingdom?

In his last book of the Kingdom-Focused Living Series, Gary Miller looks for answers to these questions. Whether you own a business or work for someone else, "It's Not Your Business" will cause you to examine your occupation from a different perspective. Prepare to be challenged!

### Amish by Adoption by Lily A. Bear

How does my mother look? Who is my father? Andy King wrestled with the usual questions of an adopted child. Eventually, his search led him to his roots, or what he thought were his roots. This true story will fascinate not only those who have adopted children or have been adopted, but all readers as they see God at work and learn how Andy became... Amish by adoption.

### This Side of the Global Wall by Gary Miller

A few of us have too much. We struggle with obesity, overstuffed closets, and storage space for our favorite sermon CD's. Meanwhile, on the other side of the wall, masses of people lack clothing, nutritious food, and a Christian witness. Some children are told to clean up their plates while others have never seen a full one. Using interesting graphs, charts, and pictures, this book illustrates the astonishing imbalances of this world's economy and our place in it.

## A Horse Called *Willing* Rebecca Martin

When Lady's carefree gallop across the pasture ended in disaster, the family needed another horse. That's how Willing arrived at their farm. Willing was a model of... stubbornness. Through the adventures, struggles, and surprises that followed, Joel learned about willingness, getting along with others, and, most important of all, that God does all things well.
