

God's Miracle—  
a Butterfly

A watercolor illustration of a green lawn. The background is a mix of various shades of green, from light yellow-green to deep forest green, with soft, blended edges. In the bottom left corner, a person's foot is visible, wearing a blue sandal. In the top left corner, a small portion of a brown, textured object, possibly a butterfly or a piece of wood, is visible. The overall style is soft and painterly.

Come see the pretty butterfly  
That flutters on our lawn.  
I see him floating low, then high;  
I blink and he is gone.

God made the lovely butterflies  
With wings of cheerful lace.

They flicker through the sunny skies.  
What fun for us to chase!
