## Dot-to-Dots

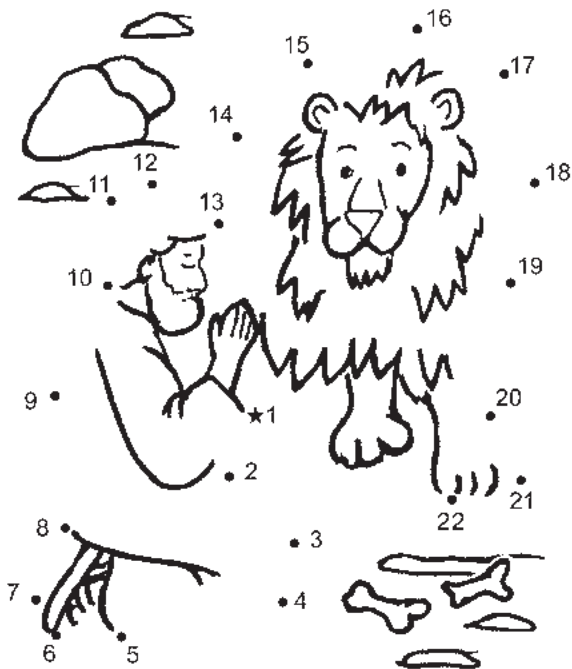

**G**od made the earth and sky. He made plants, animals, and people. The first man and woman, Adam and Eve, listened to the devil's lie and disobeyed God.

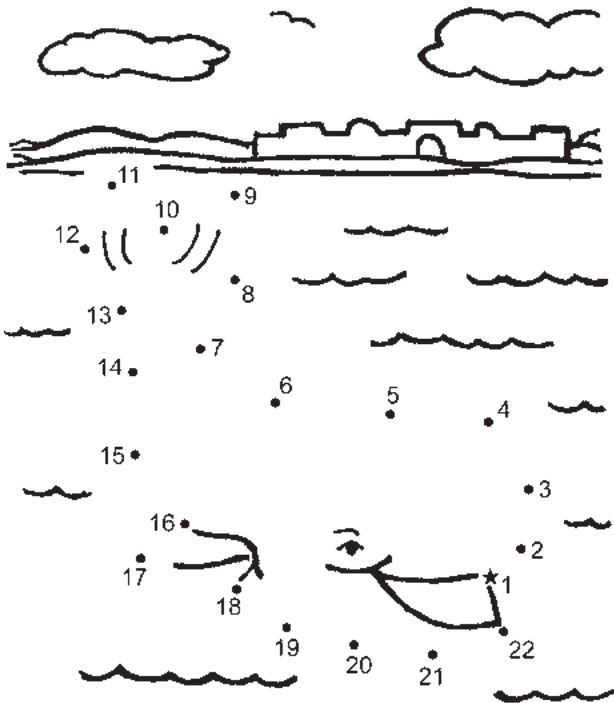

**N**oah loved and obeyed God even when no one else did. God told Noah to build a big boat. God protected Noah, his family, and some animals from the flood that covered the whole world.

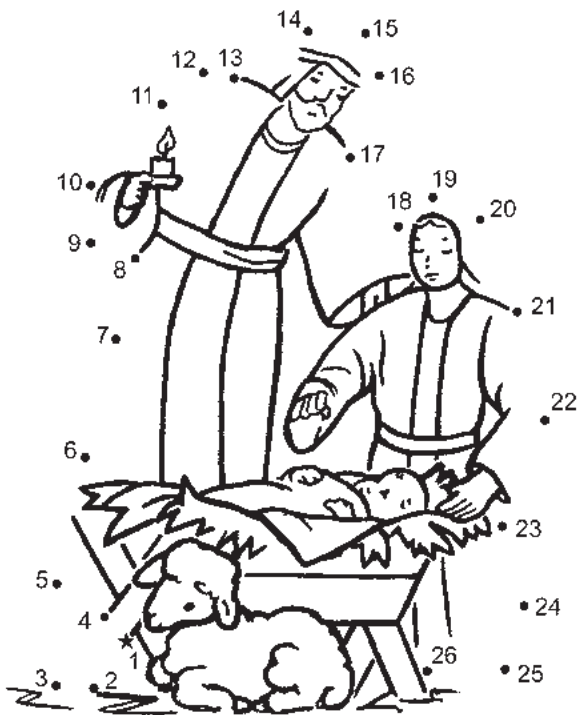

**G**od gave Moses ten commandments for the people to do. God wrote these laws on two flat rocks. We are to love God and treat people the way we want to be treated. Obeying God's rules makes us happy.

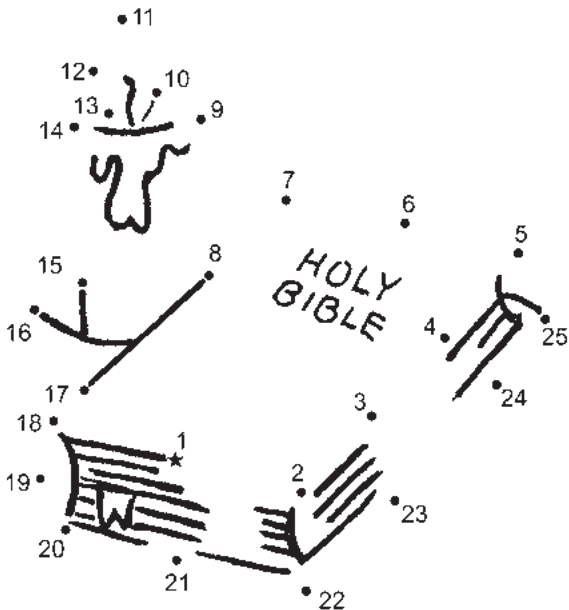

**D**aniel prayed to God instead of praying to the king. When Daniel was thrown in with lions, God sent an angel to keep the lions from hurting him.

Jonah thought he could hide from God, but he was wrong. Even when Jonah was in a ship at sea or deep in a fish's belly, God knew where he was. Jonah stopped running away from God.

**G**od sent His Son Jesus to earth as a baby. Jesus grew up and showed us how to live. If we love Him, we can go to Heaven someday to live with Him.

**E**ach of these stories is found in the Bible. Read the Bible to learn more about God. The Bible is a letter from God. God wants us to be good, to be happy, and to live with Him someday.
