

One day God told Noah, "Noah, pretty soon it will rain. It will rain very hard for a long time.

I want you to make a boat. Make a BIG boat. Make a window and a door in your boat and put a roof on top."

So Noah and his boys  
got busy right away.  
They cut boards. *Bzzz.*  
*Bzzz.* They hammered.  
*Bang, bang!* They were  
making a boat.
