

Long ago there was
a mommy and a
daddy who had
a cute little
baby boy.

The baby's family was so happy with
their baby Moses! They wrapped him
up tight and rocked him. Do you
think they kissed him and
patted him and called him
"our dear little baby"?

But the bad king did NOT like baby boys. He said, "Throw all the baby boys into the river. Yes, throw ALL the baby boys into the river right now!"
