

One day God said to Jonah,
“Jonah, I want you to go
to Nineveh. Please
go to Nineveh
right away.”

Jonah said, “But I do not WANT to go to Nineveh!
Oh no, I will not go. I will NOT go to Nineveh.
Instead, I will hop on a boat
and far away.”

God saw what Jonah was doing, and God was not happy with Jonah. Jonah was supposed to go to Nineveh, but now he was going far away on a boat! Jonah was not listening to God, and God was NOT happy with Jonah.

So... God made a big wind blow over the water. It blew hard, and it made Jonah's boat rock up and down very fast.
