

New Routines

Along with the return of green shoots, yellow daffodils, and of course those dreaded allergies, spring this year came with unexpected changes for all of us as governments issued unusual orders in an effort to keep the coronavirus from spreading.

With some routine activities suddenly gone, families and churches and businesses hastily created new routines in their place. For many children, schoolbooks from Christian Light have provided a sense of normalcy as other changes swirl around them.

God alone knows where this will end and what further changes lie ahead as His sovereign plan unfolds. In the meantime, each of us is given the responsibility to serve Him through the daily demands of our own unique situations.

Circumstances like these remind us that God, never surprised and never worried, is in control of the future. “The LORD looketh from heaven; he beholdeth all the sons of men” (Psalm 33:13). These circumstances call us to maintain perspective, knowing that we have been spared the suffering many have endured over the centuries.

Life-altering events like these point ahead to the time when “the heavens shall vanish away like smoke, and the earth shall wax old like a garment, and they that dwell therein shall die in like

manner: but my salvation shall be for ever, and my righteousness shall not be abolished” (Isaiah 51:6).

Until then, our everyday lives continue to march along, one calendar block after another. At the time of this writing, Christian Light has been able to remain open for business. Many of our staff have shifted to new routines, working from their homes. For those who need to be on-site to run equipment, ship orders, and complete other tasks, designated workers disinfect high-traffic surfaces twice a day and all workers keep extra distance between themselves. We are using phone and videoconferencing more often.

We know that the coronavirus shutdown has financially impacted many of you. As a way to help out in these difficult times, Christian Light is offering free shipping to families and individuals through May 30, 2020. See page 5 for the details.

Learning to Read

Christian Light's Learning to Read course makes it easy for you to guide students into the world of reading. Mastering phonics not only helps them succeed with their first-grade work, but also lays a solid foundation for lifelong learning.

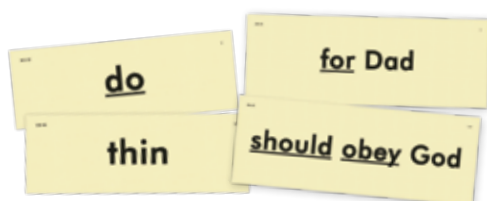

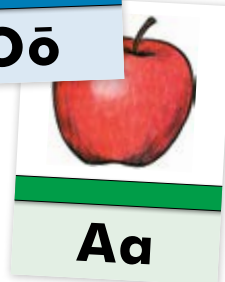

How it works

Each sound is introduced with a picture, a story, and a fun, sing-song rhyme. In addition to phonics, Learning to Read integrates handwriting, spelling, and listening skills.

Other subjects in first grade—particularly Language Arts—are coordinated with Learning to Read to give students a seamless learning experience. Two teacher's guides provide answers and step-by-step instructions for each lesson.

Alex and His Prayer

Sheila Reinford

Alex slipped his hand into his pocket. Something did not feel right. His pocketknife, the one he had found in the dirt under the deck, was gone!

Alex's foster family had told him about Jesus. They prayed to God every day. *Does God really answer prayer?* Alex wondered. *Does He care about me?*

This true story tells what happened the very first time Alex prayed.
