

This book is a sequel to  
**Just Like Daddy**

In January the snow was deep  
and the wind was cold.

Johnny said, "I'm going to put  
together my new tractor puzzle."

Rose said, "Me too!"

But she sat on the pieces  
and put them in all the wrong places.  
"I don't want your help," growled Johnny.

In February the sun warmed the snow and made it soft and sticky.  
Johnny said, "I'm going out to make a snowman!"

Rose said, "Me too!"

"No! Not you too!" snapped Johnny.

But Mother said  
to let her watch.
