**Equip yourself for homeschooling.**

You will receive a free training packet and the Homeschool Handbook when you enroll. Christian Light will issue a Homeschool Teacher's Certificate upon successful completion.

## Receive a report card after each quarter.

Because we help you keep records, we will send your student's report cards each quarter based on the scores you have reported.

## Earn a high school diploma from Christian Light.

Students who successfully complete the work required for graduation, pass a diploma-qualifying test, and submit a graduation fee are awarded a high school diploma. Acceptable alternatives to the diploma qualifying test include the SAT or ACT. Christian Light graduates have been accepted into over four hundred colleges and universities worldwide.

## Get transcripts for college applications and other needs.

Transcripts for schools or colleges are provided upon request for students currently or formerly enrolled in Homeschool Plus.

I appreciate being able to call and talk with our counselor about concerns or questions I have regarding my children's progress. I also appreciate your oversight of and keeping of their grades and times.
