Directions for Solving Word Search Puzzles

Words may read forward, backward, diagonally, or up and down. Letters may be used more than once. Some words cross each other. Circle the word when you find it, then check it off the word list.

Each line in the word list is an entry. There may be more than one word in an entry. The answers will be found in the back of the book beginning on page 183.

We hope you enjoy these puzzles. You may even be able to memorize some of the verses. The verses are presented in the same order they are found in the Bible.

Introduction

The first section of this book (pages 1-90) are Bible verses that include the word GRACE. The second section (pages 93-182) are Bible verses that include the word BELIEVE.

Where would we be without God's grace? We would be lost, alone, and helpless. The Bible verses in this book remind us that God loves us and that He extends His grace to us.

Grace, 'tis a charming sound,
Harmonious to mine ear;
Heaven with the echo shall resound,
And all the earth shall hear.

Grace first contrived the way
To save rebellious man;
And all the steps that grace display
Which drew the wondrous plan.

Grace first inscribed my name
In God's eternal book;
'Twas grace that gave me to the Lamb,
Who all my sorrows took.

Grace taught my wandering feet
To tread the heavenly road,
And new supplies each hour I meet,
While pressing on to God.
