Name (For entities: provide complete legal name)

By signing below, the producer requests that Transamerica Financial Life Insurance Company, Transamerica Life Insurance Company, and/or Transamerica Premier Life Insurance Company (each individually referred to as the "Company") make payments to the producer under a commission annualization program (the "Annualization Program"). This Agreement for Commission Annualization (the "agreement") sets forth the producer's duties and obligations with respect to the Annualization Program. Under the Annualization Program, the Company may pay commissions to the producer based on the projected first year annual premiums for policies sold by the Company through applications solicited by the producer when actual premium received by the Company may be less than a full annual premium. The producer acknowledges and understands that commissions paid based on premium payments not actually received by the Company constitute an advance payment against commissions which are anticipated to be earned by the producer if and when the remainder of the first year annual premium is received by the Company.

In addition to the terms and conditions of the applicable selling and/or producer agreement(s) with the Company (collectively, the "Producer Agreement"), the producer understands and agrees that:

1. Only policies placed in force after the date this agreement is approved by the Company will be eligible for annualization payments. Notification of approval will be provided in writing once the agreement is approved by the Company.
2. The producer hereby authorizes the Company to obtain a consumer credit report and conduct an investigation concerning the producer's character, credit, reputation and personal traits, and releases those contacted and the Company from any liability with respect to the content of the information provided and any resulting action by the Company. The producer authorizes the Company to share any personal information regarding the producer with its affiliated companies and to obtain updated or further credit reports if it so chooses at any time that this agreement is in effect or, after its termination, if any amount advanced hereunder remains unpaid. The producer understands that he or she may not be permitted to participate in the Annualization Program if he or she is delinquent in obligations to creditors, or if he or she is subject to any unpaid or unsatisfied judgment, liens, or similar matters.
3. Termination of this agreement does not terminate the Producer Agreement with the Company. However, termination of the Producer Agreement with the Company terminates this agreement and notice is not specifically required.
4. The Company may terminate this agreement without notice, in its sole discretion.
5. The producer agrees that in the event the full annual premium is not received by the Company within 12 months of the issuance of the policy or in sufficient time to prevent lapse of the policy, whichever is sooner, the Company shall have the right to charge the producer's commission account for the amount of commission paid on premium not received by the Company.
6. The producer agrees that amounts charged to his or her commission account pursuant to the foregoing may be deducted from amounts owed to the producer at such time or thereafter by the Company. The producer understands that the Company in its sole and absolute discretion may determine the amounts to be advanced under the Annualization Program and may modify or terminate the Annualization Program at any time. Without limiting the generality of the foregoing, the producer acknowledges and agrees that the Company may, in its sole discretion and from time to time, modify the persistency, production, and/or other requirements to remain eligible for the Annualization Program, as well as the percentages to be advanced and the limit on total advances. In the event of termination of the Annualization Program, any amounts advanced thereunder which have not been earned will be immediately due and payable by the producer. If payment in full is demanded, the producer agrees to pay interest on the unpaid balance on the advanced amount due.
