Student Cell: _____ Parent Phone Number: _____

Parent/Guardian Name: _____ Parent Email: _____

Grade Level: _____ 504 Plan/IEP: Yes No Credit Recovery Study Hall: Yes No

** I understand PIA classes are NOT NCAA compliant. I will not use this course for college athletics. (init. below)*

Parent initials _____ / Student initials _____

Initial Student Learning Plan: A maximum of 6 courses are allowed for full-time online students, and 3 courses for part-time students if they begin on the first day of the semester. Classes are designed to take 18 weeks. Full-time students are expected to work an average of 27.75 hours a week on courses. Part-time students are expected to work on each course for 5.55 hours every week. All courses have been approved by the IAC with PowerSchool course codes. Syllabi are attached to each course homepage with teacher contact information and course expectations. Students must make weekly contact with their teacher.

SEMESTER ONE ENDING DATE: Jan. 17, 2020

SEMESTER TWO ENDING DATE: June 12, 2020

First Semester Courses	Credit Recovery?	Second Semester Courses	Credit Recovery?

By signing, you acknowledge your Student Learning Plan for Online Learning is established.

This first page is your initial learning plan naming the online course(s) planned for you to complete during the 2019-2020 school year. There is an addendum to every initial plan, specifying the means and the methods of how you will work to meet your course(s) learning targets and objectives for each course. All PIA online courses meet the Peninsula School District's graduation requirements, and are free from tuition if they are scheduled in your six period day with the exception of a **\$25 per semester** administrative fee that supports program management costs.

Students will receive a confirmation email in their Edtools account after enrollment is complete. The email will provide login information. **Students are expected to begin coursework within three (3) days of receiving the confirmation email.**

Peninsula Internet Academy Student Learning Plan
Expectations for Success

1. Students must log into **each class, each week**. Plan to spend as much time working in the course as they would if they were taking a course during a class period at the high school. This includes additional time for homework, and will ensure adequate monthly progress.
2. To meet the state requirements for attendance, students will **email teachers each week**.
3. **Complete the course orientation** before beginning.
4. **Finish my course by the end date** specified on the learning plan.

Please **write out the following statement** to acknowledge that you understand the expectations:

I will email my teachers from my Edtools account. I will make adequate monthly progress in all of my classes. I understand that if I am not meeting the expectations, I may be dropped from my coursework with a failing grade, and that I may not add additional online courses until the next school year.

CHECKING PROGRESS

Parents – Depending on the choice of online class, your child’s progress may not appear in PowerSchool. Some of our classes run on a different system. Please call our office at any time for a progress update. We can be reached at 253-530-3850.

Our office marks student progress each month, and may contact you if your student needs to sign an intervention plan. This plan would not only help your student to succeed, but signing and adhering to the plan is a state requirement for students struggling in an alternative learning environment. If your child falls into this category, you will be contacted via email and by telephone. In most of these cases, we meet with students in-person, to ensure expectations are clear, and to answer any questions that will help support the students learning objectives.

Peninsula Internet Academy Student Learning Plan

Statement of Understanding

Dear Guardians:

In accordance with the Alternative Learning Experience Implementation Standards, *reference WAC 392-121-182 (3)(e)* prior to enrollment parent(s) or guardian shall be provided with, and sign, documentation attesting to the difference between home-based instruction and enrollment in an alternative learning experience (ALE).

Provided on this form are descriptions of the difference between home-based instruction and an ALE. Please read these descriptions and sign below.

Summary Descriptions:

Home Based Instruction (Home School – not using Peninsula Internet Academy Programs)

Home-based instruction is provided by the parent or guardian as authorized under RCW 28A.200 and 28A.225.010. Students are not enrolled in public education. Students are not subject to the rules and regulations governing public schools, including course, graduation, and assessment requirements. The public school is under no obligation to provide instruction or instructional materials, or otherwise supervise the student's education.

The Alternative Learning Experience (ALE) in Peninsula School District for the *Peninsula Internet Academy Programs offered at Gig Harbor, Henderson Bay High, and Peninsula High Schools*

ALE is authorized under WAC 392-121-182. Students are enrolled in public education either full-time or part-time. Students are subject to the rules and regulations governing public school students including course, graduation, and assessment requirements for all portions of the ALE. Learning experiences are:

- Supervised, monitored, assessed, and evaluated by certificated staff.
- Provided via a written student learning plan.
- Provided in whole, or part outside the regular classroom.

Part-time Enrollment of Home-Based Instruction Students

Home-based instruction students may enroll in public school programs, including ALE programs, on a part-time basis and retain their home-based instruction status. In the case of part-time enrollment in ALE, the student will need to comply with the requirements of the ALE written student learning plan, but not be required to participate in state assessments or meet state graduation requirements.

I have read the descriptions of home-based instruction and alternative learning experience provided and I understand the difference between home-based instruction and the alternative learning experience program in which my student is enrolling.
