## 4-H Open Enrollment | Starting October 1st

4-H in Pierce County has something for every student from 5-18 years of age as of October 1st. Youth participating in 4-H activities will build confidence and learn life skills by participating in hands on activities. 4-H offers projects for all types of animals large or small, but we also offer projects in **technology, shooting sports, government, home economics, the arts, and more!** Come out with a parent to one or both of the 2017 4-H Information Fairs coming to a location near you!

Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office. Persons with disabilities who require alternative means for communication or program information, or reasonable accommodation need to contact Brian Brandt at 253-798-3250 or [bbrandt@wsu.edu](mailto:bbrandt@wsu.edu) at least two weeks prior to any event. Fee waivers are available as needed.
