**LEARN THE MARINERS WAY!** – game fundamentals, the latest techniques, hustle, and class. Reach your potential and have a blast! Included is a separate on-field clinic at **Safeco Field** in August – Wow!

**CAMPERS** range from beginners to “All-Stars.” We group based on age, ability/safety and social factors. Our primary goal is to ensure each has a positive experience and learns the game. We are experts in coaching the game and working with kids. Each camp has a dedicated coordinator on site.

**PROFESSIONAL INSTRUCTION:** Personalized and group coaching from professional educators and instructors. Position-specific training in all facets of the game; situational play, instruction, drills and games take camper’s game to the next level.

**TOTAL PLAYER DEVELOPMENT:** We focus on character development – called *double goal coaching*. Players who develop strong personal character perform better at the game and in life.

**GAME CULTURE:** Camp is deeply immersed in the culture of the game, which is so much more in addition to what’s on the field. LOVE the game!

**CAMP OPTIONS:** We offer two camp choices and many choose both with our camp bundle. See details below and on our web site [www.marinerscamps.org](http://www.marinerscamps.org)

**”He came home loving the game and now practices all the time.”**
