Important Information

Two ways to register for summer school (credit recovery).

1. Print and complete this form. Fill in all information & get signatures, pay your tuition to your school's bookkeeper, and then turn this form in to your counselor, OR,
2. Check with your counselor to find out which class you need to take. Complete the online registration form at psd401.net/summer-school.
3. Pay your tuition to your school's bookkeeper or bring tuition on the first day of summer school.

Summer school tuition:

All classes cost \$200 payable to your school's bookkeeper or on the first day of summer school.

Fee waiver/reduction:

Assistance is available to students who currently qualify for free/reduced lunch. Talk to your school bookkeeper for more information before the end of this school year.

Registration deadline:

Register as soon as possible because some classes fill up. Chances of getting into a class are much better if you register early. Don't delay!

Refunds:

Tuition will be refunded if a student withdraws by the end of the first week. Tuition is not refunded after the first week of classes.

Cancellation:

We will make every attempt to run all classes offered. However, if insufficient numbers of students enroll in a class then the class you registered for may be combined with other classes or cancelled altogether. If a class is cancelled, the district may choose to serve students through the district's internet academy or through other class options at its choosing.

What about taking classes at West Sound Tech-Bremerton?

If your WST class overlaps with summer school, call 253-530-3905 ASAP. Make arrangements to attend at HBHS on Monday and Tuesday of the first week. Then return to WST on Weds, Thurs and Friday.

Attendance:

We need students in class every day. Missing one day of summer school is like missing a week of school during the regular year. Students are allowed two absences for emergencies or illness only. Students who miss more than two days of summer school will fail the course.
