

2018-2019 After School Enrichment Programs

Science Matters – \$160 – Mondays (PK3-4 2:45-3:30 K-1st 3:30-4:15)

- Where science and fun are one!
- Mysteries of Egypt – Journey down the Nile and explore the Ancients...How did the Egyptians build massive pyramids? How do you write your name in Hieroglyphics? Mummies? How is the Nile different than other rivers?

STEM – \$180 – 7 sessions

- Monday (2nd/3rd 3:30-4:30) Tuesday (4th/5th 3:30- 4:30) – Room 162

Salsa Dancing - \$180 – 7 sessions Monday 4-5pm Rm 129

- Ever wanted to learn how to dance? If so, come join us! Learn to dance salsa, and Peruvian dances like huayno and marinera. No previous experience required. Just come and have fun!

Mustang Cheer - \$360 (semester class Tuesdays)

- Rm 129 PK3 – 5th

Kung Fu - \$180 7 sessions (Tues K-1st 3:15-3:45 2nd-5th 3:45-4:30pm)

- Looking to have fun, get some exercise and learn ways to stay safe! Join us for Kung Fu! Utilizing traditional forms and movements, our goal is to engage students in a playful, yet focused environment to aid in developing numerous life skills.

Little Mustangs Volleyball - \$180

- Tues/Thurs 3:15-4:15pm – meet on upper elementary side by rotunda/benches

Young Rembrandts - \$120/\$140 (PK4 – K 3:05-3:55 1st – 5th 4:05-5:05pm)

- Introduces our students to a fascinating world of color, pattern, and design. Our students will create a seasonal project – fall-themed illustrations like taffy apples and a farmer's scarecrow. Enroll now!
- Art Room 155

Jump bunch – Wednesdays PK3 -2nd

- Jump bunch sports clinic – structured programs for elementary aged students. Our curriculum introduces the rules and skills through hands on experiences. We keep it fun but also introduce and small amount of competition. Gives kids a basic understanding of popular sports and helps them appreciate the fun and rewards of regular physical activity.

Chess Club – Wednesdays K-1st 3-4pm 2nd – 5^{ht} 4-5pm Rm 121

- All ages, grades and skill levels welcome.
- Why chess? Studies by major corporations and universities have shown that chess can help students increase their math and verbal skills as well as their creative and critical thinking abilities.

Mustang Dance- \$360 (semester class Thursdays)

- Room 129 PK3 – 1st 3:15-3:45pm 2-5th 3:45-4:15pm

Little Mustangs Volleyball - \$180

- Tues/Thurs 3:15-4:15pm – meet on upper elementary side by rotunda/benches

Knit, Stitch, Crochet - \$180

- Thursdays 3rd-5th 4:00-4:45pm Room 158

Jump Bunch Sports Clinic - \$119

- Fridays room 124 PK3 – K 3-3:40 1st – 2nd 3:40-4:20pm
- Learn sports skills while focusing on what is most important to your child – FUN!
- In this session your child will focus on the following sport specific skills: Throwing, Catching, Base running, fielding, catching, and batting.
