#### **T301** Tactical Rex (T-Rex) Assault Pack

The T-Rex Assault Pack is our full size pack, designed to haul all of your stuff for extended periods. The main compartment offers plenty of storage room and the built-in sleeve can be used to hold a notebook computer. An additional zippered pocket on the front of the pack is useful for storing important items, etc.

Pockets along the side and front of the bag allow for quick access to any stored items. The pack can be cinched down with the straps on each side of the pack. If you need additional carrying capacity, accessories can be attached to the M.O.L.L.E. compatible webbing on the front and sides of the pack.

A hydration bladder of your choice can be added to the T-Rex Assault Pack to keep you going. On the top of the pack is a fleeced lined zippered pocket to hold your items.

We back our T-Rex Assault Pack with a Lifetime warranty.

- Over all dimensions: 16"W x 19"H x 11"D
- Total volume: 2,298 cu in (38 L)
- Material: 1000D Kodra water resistant nylon (1000 denier, 100% nylon, similar to 1000D

- Side Bottom Pocket (2): 5"W x 8"H x 1.5"D
- · Main inside expandable sleeve: 13"W x 13"H
- Waist strap pocket (2): 7"W x 4"H x 1.5"D
- · Lifetime warranty

MSRP: \$216.00

#### **T302** Rapid 96, 4 Day Tactical Pack

The Rapid 96 is our ultimate 4-day pack. When other packs won't do, you can count on the Rapid 96 to comfortably haul your belongings. Keeping everything organized will not be a problem since there are plenty of zippered pockets, pocket dividers, mesh pockets, and sleeves.

For those times when you have less to pack, everything can be cinched down with 4 compression straps, 2 on each side of our pack. If you need additional carrying capacity, accessories can be attached to the M.O.L.L.E compatible webbing on the front and sides of the pack.

To keep you going, the Rapid 96 can accommodate a hydration bladder of your choice. A pocket on the top of the pack is fleece lined to protect eyewear.

We back our Rapid 96 with a Lifetime Warranty.

- Overall Dimensions: 17"W x 22"H x 13"D

- Side Pocket (4): 6"W x 8"H x 2"D
- Product was tested and approved by members of the NTOA
- · Lifetime warranty

MSRP: \$255.00

#### T303 Lethal 24, 1 Day Assault Pack

The Lethal 1-Day Assault Pack is our quick and nimble pack that is designed to haul your belongings for a 1 day mission. It has similar features to our T-Rex Assault pack, but without the side pockets for a slimmer profile.

The pack can be cinched down with the compression straps on each side of the pack to bring the load closer to the back for better balance. The main compartment offers plenty of storage room and the built-in sleeve can be used to hold a notebook computer. An additional zippered pocket on the front inside of the pack is useful for storing important items.

M.O.L.L.E. compatible webbing on the front and sides of the pack offers additional flexibility for attaching accessories, etc. A hydration bladder of your choice can be added to the internal compartment, which also includes hangers and toggles to support the bladder. On the top of the Lethal 24 is a fleeced lined zippered pocket to hold your eyewear or other items that may require protection.

We back our Lethal 24 with a Lifetime warranty.

- Over all dimensions: 13"W x 19"H x 11"D

#### **Tactical Field Bag**

The Tactical Field Bag is perfect for an EDC (every day carry) bag. It is designed to carry your personal items in an organized and secure manner. The zippered pocket on the top is great for carrying goggles or glasses.

The two pockets on the side provide access to items without having to open the main compartment. Additionally, the front pocket contains elastic webbing and a mesh pocket to help keep things organized.

An adjustable shoulder strap with a removable pad is designed to slip comfortably over your shoulder and is easily adjusted to fit your body type. The reverse side of the bag is lined with an aerofoam padding to ensure a comfortable fit.

We back our Tactical Field Bags with a Lifetime Warranty.

# TACTICAL WEAPON CASES

#### **1350** 36" Single Rifle Tactical Case

Our new line of weapon cases are designed to carry your rifle to the range or any urban environments, this 36-inch tactical bag is fully padded with M.O.L.L.E. webbing throughout both sides of the inner compartment, comes with adjustable restraint straps that can be changed to securely hold your rifle and any additional accessories, the attention to detail on this bag with a more refined design and more flexible functionality is the perfect upgrade from any standard rifle case.

Crafted with padded 1000D Cordura nylon helps prevent your rifle from dings, scratches and accidental impacts. It features two external padded compartments built in, designed to hold a pistol but you could also use these for optics or other accessories. This case is tough enough to meet any tactical conditions required by the military and law enforcement agencies, comes with three external modular pouches that provide plenty of storage room for magazines, ammo and cleaning kits, includes an adjustable shoulder strap, standard handle at the top and the backpack style shoulder straps with sternum strap designed to create a comfortable fit without slowing you down, additional features include exterior webbing for M.O.L.L.E. attachments, hook & loop areas to display labels or patches, an ID window for easy identification and locking YKK zippers to keep your rifle secure, standard military colors available (Black, Coyote Brown, Olive Drab, Khaki).

We back our T350 Tactical case with a Lifetime warranty.

# PERFORMANCE

# Rapid Cool T-Shirts (RAPDOM)

The Rapid Cool performance t-shirt is built for battle. The soft, lightweight construction keeps you dry and cool while the 4-Way stretch technology allows for easy movement. The smooth, flat lock seams prevent chafing. Made of anti-odor, moisture wicking, and antimicrobial material

### **B02** Performance Longsleeve

This Long Sleeve Performance T-shirt is built for battle. It's soft, comfortable, and fights odor. The Performance T-shirt dries much faster than ordinary tees and is designed to respond to quick movement even during the most intense tactical training sessions.

#### Compression Arm Sleeves

Each Compression Arm Sleeve features UV protection along with Thermotrol® technology that accelerates evaporation to minimize sweat retention from your skin. These Form-fitting compression sleeve ensures a snug fit that won't restrict you, improving blood flow circulation to your bicep and tricep to help you speed up muscle recovery and optimize your performance, finished with flat-seam construction that provides lasting comfort and abrasion resistance for the entire arm. available with a US Flag and Thin Blue Line design

## RapDom Crusher 6" Boots
