Last Updated: November, 22nd, 2023

The following Stock Film Clip License Agreement ("License Agreement") together with the ("Terms of Use") <https://www.raw.film/articles/legal> ("TOU"), as they each may be amended or updated from time to time, constitute an agreement ("Agreement") between you ("Licensee") and RawFilm, Inc. and any of its affiliates (collectively RawFilm), setting forth the rights and obligations with respect to one or more motion-picture clips available on www.raw.film (the "Site") which are selected and paid for in full by Licensee (each a "Licensed Clip", collectively "Licensed Clips"). If Licensee is a legal entity (and not a natural person), you represent and warrant that you are fully authorized to bind Licensee to this Agreement, and you acknowledge that RawFilm will rely on that representation and warranty. Licensee consents to receive communications from RawFilm electronically and Licensee agrees that all agreements, notices, disclosures and other communications that RawFilm provides to Licensee electronically satisfy any legal requirement that such communications be in writing.

Please review this License Agreement before purchasing a license for any Licensed Clip because it applies to use of any Licensed Clips.

1. Defined Terms.

1. **"Advertising Use"** means use in any form of advertisement, endorsement, commercial or promotion, including use (i) in a print advertisement, (ii) in a billboard or other physical (whether static, dynamic or interactive) display advertisement, (iii) in any form of electronic, internet, mobile application display advertisement (whether static, dynamic or interactive, and including in context advertisements), or (iv) in any form of video or audio (including on television, film, motion picture, internet, mobile application or radio) broadcast or in context advertisement or commercials or infomercials.
2. **"Commercial Use"** means use in motion-picture visual and audio-visual works, including both Advertising Use and Editorial Use.
3. **"Editorial Use"** means use in motion-picture visual and audio-visual works, strictly for newsworthy use and expressly excludes any Advertising Use.
4. **"Production"** means only a single motion-picture visual or audio-visual work that incorporates one or more Licensed Clips into a single new and original motion-picture visual or audio-visual work, that is significantly different from the original Licensed Clips and has taken time, effort, and skill to produce. For the avoidance of doubt, Production excludes all other forms of use of the Licensed Clips, such as use in merchandise and print publications.
5. **"Term"** means the period beginning on full payment and continuing in perpetuity unless terminated as permitted in this Agreement.
6. **"Territory"** means world-wide, except where any Licensed Clip is prohibited under the applicable law.

14. **"Resale"** means the act of selling the source materials or final projects to third parties. Reselling the source materials is prohibited under the license terms. However, reselling the final project is permitted within the constraints of the license, especially in scenarios where the Licensee transfers the license to a third party.
15. **"Sublicensing"** means granting a third-party permission to use the source materials under the terms of the original license, which is prohibited under the license terms.
16. **"Modification"** means any changes or edits made to the source materials, which are prohibited without written consent.

2. **License Fee, Refunds, and Taxes.** Licensee shall pay RawFilm in full the amount stated on the Site for each Licensed Clip used in a single Production (the **"License Fee"**). Use of the same Licensed Clip in multiple Productions requires a separate License Fee for each

Production. All sales of licenses to Licensed Clips are final, and RawFilm is under no obligation to refund any License Fees under any circumstances, except if RawFilm terminates the license with respect to one or more Licensed Clips pursuant to Section 10(b). If Licensee requests a refund, and RawFilm, in its sole discretion, provides a refund, the license granted in this License Agreement for the applicable Licensed Clips will be rescinded as if never granted.
