

## The Naked Truth Part 3: Dedication

- Review:**
- Why we are talking about this subject?
    - To address the tensions for believers and unbelievers—between telling the truth to follows of Jesus and showing God’s love to those who have failed or have never heard the truth.
    - To identify God’s design for sex, marriage, and gender. (**Genesis 1-2, Matthew 19:3**)
  - Last week was the Deterioration. **Romans 1:18-32** says the truth is that all have sinned and specifies what sin is.

### Nehemiah’s Story

- Context: David was king ~1,000 BC.
- They were conquered by the Assyrians, then the Babylonians, then the Persians. Artaxerxes was the Persian King.
- Nehemiah’s entire story reveals God means what He says, but He is willing to forgive and help us rebuild when there is repentance.

### Jeremiah 2:1–13    A New Start: Nehemiah 1:1–8

---

---

---

- **Notice the wall is down.**
  - The wall represented a distinction from other peoples, safety, and power.
  - As an outer physical wall creates safety within, so God’s spiritual laws create boundaries to play in where there is safety.
  - Not having that safety would be humiliating as a nation.
  - This city represented the Lord. He would be seen as less powerful than the gods of the surrounding nations.
- **Notice the problem: why the wall had fallen. (vs 6)**
  - **The physical wall was down because the spiritual wall was down.**
  - The wall was not the primary problem. It is the result of the real problem.
  - When we face trouble, we often act before coming before the Lord. We work to fix what we see rather than the spiritual issue.
  - Nehemiah acknowledges why Israel was in this state. They had become like the nations around them.

### Exodus 34:15–17    Deuteronomy 4:5–8

---

---

---

- **Notice Nehemiah prayed before he acted.**
  - He confessed his country’s sin and his own.
  - He asked God to help Israel.
  - He asked God to help him do his part.
- **He stepped out in faith. He was willing to give up his position, wealth, and comfort.**
  - It was dangerous for him to go to a country with external and internal enemies.

### Nehemiah 2:1–5

---

---

---

- **Notice Nehemiah had to tell the people the wall was down. The obvious had escaped them.**
  - They were so used to the lack of safety and disgrace that they didn’t even notice it anymore.
  - They had no vision of something better.
  - Nehemiah called them to notice and to work.
  - Remember your purpose, who you are—every one of you.

## Nehemiah 2:17–18

- **As soon as they began to rebuild, the enemy came, and he keeps on coming.**
    - He first says they are politically incorrect—they are rebelling against the human king.
    - He tries to join them through infiltration and deception.
    - He then uses fear. He seeks to divide. He deceives and schemes.

- 

## Nehemiah 2:19–20    Nehemiah 4:1–3

- **When it gets hard and scary (the grind), Nehemiah reminds them to fight for their families, their homes, and their people.**
  - Some complain about the country, or others, but they don't take responsibility in their own houses.
  - Not everyone was a builder, so they had to learn a new skill, but it was worth it.

## Nehemiah 3:10    Nehemiah 3:28    Nehemiah 4:13–14    Nehemiah 4:19–23

- **The real turning point: Repentance and dedication to the Lord and His word.**
  - Remember the reason the Lord had abandoned Jerusalem and Israel was they had rejected the Lord.

## Nehemiah 8:1–3    Nehemiah 8:9–10

- **Persistent dedication leads to a changed community.**

## Nehemiah 13:4–5

---

---

---

- **What does dedication look like? Acknowledge God will not bless sin; rather, He will oppose it. (1 Peter 5:5-6)**
  - Why do we choose the short cut? Why do we choose to disobey?
    - ◇ It's because we don't believe God. We don't trust Him to do things in His time that will be for our good.
- 1. I will choose not to be conformed to the world's way of seeing things. (**Romans 12:1-2**)
- 2. Personal repentance: I will do what God's Word commands sexually in my life. (**2 Corinthians 7:8-11**)
  - Marriage, gender, sex before marriage, dating, as a married person, as a single person...
  - He means what He says about blessings and curses. (**Deuteronomy 30:15**)
- 3. I will start in my own house but also be a part of the community of faith. (**Deuteronomy 6:4-9**)
  - I am a child of God, and I have brothers and sisters.
  - If I have children, I will lead.
- 4. If I am single, I will be faithful to the Lord. I will be Holy, and I will be part of God's family. (**1 Peter 2:11, Hebrews 3:12-13**)
- 5. If I see a brother and sister struggling, I will minister to them. I remind them who they are! (**Galatians 6:1-3, Jude 22-23**)
