

60106 - Break Away Neck Strap

The 60106 Break Away Neck Strap can be used as a neck lanyard for the PALS® 9000 Personal Mobile Transmitters (PMT). The Neck Strap is designed to break if the PMT is pulled thereby minimizing the risk of ligature that a rope lanyard may present.

Features & Benefits

-  Compatible with PALS® system components
-  Constructed of light weight flexible material for comfort
-  Easy to install and use
-  Built in safety break points

Specifications

DIMENSIONS
