sqft land sqft living bedrooms bathrooms listing price

One of the best values for custom homes on Kauai's north shore, situated on nearly 4 acres, with a healthy orchard, a swimming pool, and several outbuildings.

The main house was remodeled completed in 2009, and an addition with two bedrooms and a den was added. The swimming pool, workshop with 3/4 bath (approx. 400 sq.ft.), and main house combine to create an estate-like feel.

The orchard includes citrus, avocado, and banana, and is located on approximately 2 acres of level land. The remaining acreage tapers down into the Kilauea river
