This one just feels good! Strategically built to capture breezes, sun and moon rises and distant ocean views that completely entertain, it's a home that regally surveys the beautifully terraced grounds below. But like fine wine, the meticulously maintained home just keeps getting better with time. With over-sized fixed pane windows and gleaming Douglas Fir floors thru-out much of the upper level, the home has, over the past year, undergone complete kitchen and bathroom renovations. The kitchen now sports trendy white cabinetry with a wall of pantry
