A tree-canopied driveway leads to a level 2.28-acre rim-lot parcel, offering abundant views from Crater hill and the ocean to the Kilauea River valley vista and mountains beyond. One house site possibility maximizes the white-water ocean view. Another option captures the meandering Kilauea River valley's lush natural landscape with mountains rising above it. The parcel's ocean view is forever-protected by a deeded view easement. A water meter is installed.

Seacliff Plantation is a gated community located on the North Shore of Kauai
