Enjoy golf course living in this nicely updated, one owner home in Discovery Harbour. Lovely rock walls which create a tiered effect front the property. The yard, which is nearly a third of an acre, has many interesting plants, including bananas and oranges. From the back yard you are just steps to the second hole of the Discovery Harbour golf course. The house boasts a large front lanai and an even larger back lanai. Both the interior and the exterior of the home have been recently painted.
