Land for Sale in **East**, Maui | MLS **390752**

135,907 **\$170,000**
sqft land listing price

This lot has been handed down through the family and now it's coming on the market for the first time. Over 3 acres of lush jungle with lots of road frontage. Big trees, vines, ferns, and other tropical plants. Bring your chainsaw and carve out a home site in this rain forest to make it into your Maui hideaway. May be subject to flooding during heavy rains. So much opportunity for the right person. No water meter installed but it should be obtainable in the Hana district. Cash buyer most likely needed.
