PRICE ADJUSTMENT! Wonderful unobstructed ocean and Maui views from this lot. The Seller has invested a lot in this property to make it what it is today - clearing of all trees (refer to Google map to see how heavily treed it was), survey, and archaeological study have already been completed. Grubbing is in the process and will be completed shortly. The lot is ready to build, a water meter box is located on the property and HELCO is easily accessible. The location is ideal, a quick 1.5 mile drive to the center of Hawi, and no neighbors to block your ocean
