Just over 46 acres of some of Puna's fine agricultural lands. Property zoning is Agricultural (A-20a). Lot was once partially cleared and planted with various crops and tangerine trees, some of which remain today under the overgrowth of what the jungle reclaimed after years of no use. The property is bordered to the north by four properties belonging to Kamehameha Schools (Bishop Estate), and to the northeast by the Nanawale Estates subdivision. Here, there is a road lot (TMK 3-1-4-079-058) off of Mauna Kea Rd. that is to be conveyed with the property.
