This recently remodeled home is gorgeous both inside and out. The kitchen was completely remodeled in 2016. Some of the updates include a convection microwave and induction stove top for those that love to cook. The washer and dryer as well as the dishwasher have also been recently replaced. An En Suite Primary bathroom remodel was completed at the end of 2020. This home has both split and wall air conditioning units that are powered by a fully owned NET metered 18 panel photovoltaic system. You will enjoy dazzling sunsets year round
