Fabulous end unit on 2nd floor of building 16. Building 16 is in a quiet corner of Kolea and is conveniently located to everything. The end units offer more windows and light than the middle units do. One of the few 2-bed condos with a large enough second bedroom to fit two queen beds and have plenty of room left to move around. Each bedroom has its own private bath suite including soaking tub and shower. Guest bedroom offers a wet bar and beverage fridge. It is rare to find a condo that allows a BBQ grill on the lanai—this one has a built in grill.
