Looking for a place to develop your Hawaii dream? Located in an up and coming rural area, this corner lot is located on pavement with good amenities but far from the hustle and bustle of city living. Not a typical spaghetti lot, this one has over 200 ft of road frontage. Adjacent lot is also available (MLS 656956). Driveway and gate are already installed. Nicely treed and no obvious "garbage" trees makes this one easy to develop and love!
