Hawaiian Ocean View Estates - build on two or four of these side by side 70 x 623 ft lots on upper Bamboo Lane. Seller would prefer to sell all four together but will consider selling them in pairs. Could be a good opportunity for the right builder to put in some spec homes. The price is \$14,900 per acre. Build with solar or wind power as there's no Helco power available in this block. All lots have ocean, South Point and sunset views! Lava Zone 2, Flood Zone X.

Just a few miles down the mountain is Ocean View Town Center with gas stations,
