Situated on just under 14 acres, 59-1020 Kamakani Loop is an absolute gem. Built in 2019, this two bedroom and two and a half bath home is built with a clever balance of contemporary design while still maintaining the feeling and serenity of the Ranch. The home offers a large gourmet kitchen with plenty of room for the family who cooks together while enjoying a location adjacent to the main living area which flows out to the large covered lanai with forever views down the Kohala Coast and out to the sea and beyond.
