House for Sale in **Puna**, Big Island | MLS **709137**

130,724 **\$42,000**
sqft land listing price

This is 3 acres of partially improved land in Fern Forest Vacation Estates that boasts cooler temperatures and lush jungle near everything Volcanoes National Park has to offer. Improvements were made years ago and have been overgrown but a level house pad of approximately 50 x 100 feet lies at the end of a leveled driveway just beneath the lush jungle foliage. If you are looking for privacy, this is your place. Three acres gives plenty of space all around where you can be as private as you wish. Everything you may need is in Hilo about 22 miles away.
