House for Sale in **Puna**, Big Island | MLS **714944**

43,560 **\$129,900**
sqft land listing price

Freshly bulldozed lot, ripped and rolled on a dead end street with a ready to build, flat house site where the tradewinds breeze through so nicely!

Stand on the lot to feel and appreciate the wonderful airflow in this location!

A very different feel from an inside lot that can be stifling, hot with no airflow...
