sqft land sqft living bedrooms bathrooms listing price

Whimsical off grid home in the lush Hawaiian acres Subdivision. This home has approximately 500 sqft of living area located on the second story and sits on a nearly 2 acer lot. Looking for the right buyer to give this place the TLC it needs! The first floor is a garage currently being used as a storage room, plenty of room for 2 cars once cleared out! The washer/dryer and 48v solar system (batteries need replacing) can be found down here, as well as a large pressure tank. Additional storage room can be found in the back of garage !
